Community Offerings

GROUP CLASSES

Small group classes kickstart your vocal journey with structure, support, and the tools to find and use your voice alongside motivated peers.

SVL MEMBERSHIPS

Weekly low-cost introductory classes with opportunities for feedback and tips for improvement. Note: Not a replacement for individual or small group GAVt lessons, but rather an add-on for self-study or for touching up voice fundamentals. (Free for SVL Students and Graduates)

 **DISCORD**

The Seattle Voice Lab Discord server is a free, inclusive space for community building, resource-sharing, and voice practice. Join our thousands of users - you don't have to voice train alone!
